Duke Farms Community Garden
Frequently Asked Questions

Plot registration details:

• Plot registration for members of the public opens on January 2 at 9am and runs until March 15 (or until plots sell out), annually. All registration is done online through dukefarms.org/cg.

• 462 plots, 3 different sizes (10’x10’, 15’x15’, 15’x30’).

• Duke Farms also has an Accessible Garden area which conforms to current ADA standards. Individual garden beds on a paver patio rent for $20 each for the season and may be rented to individuals or groups. Please contact Duke Farms for more information.

• Each year it varies there are usually 40-50 plots available for rent.

• Plots are available for rent to individuals who live and/or work in Somerset County, NJ. Commercial enterprises are not eligible to apply.

• Plots are rented on a first come, first served basis.

• New gardeners are restricted to 1 plot in their first year of gardening. Returning gardeners may rent a maximum of 3 plots and will have the opportunity to renew the same plot(s) each year should they wish to.

Logistics:

• An Orientation session is held in March at Duke Farms and it is required for all new gardeners to attend.

• Garden is open year-round, dawn to dusk.

• There are 2 parking lots adjacent to the community garden.

• Duke provides wheelbarrows and a small number of hand tools. Gardeners must bring any additional tools they need.
• There is a water spicket in the middle of each garden block. Hoses are not provided.

• Gardens must maintain a valid email address as this is our primary form of communication.

• Members must adhere to Duke Farms’ Community Garden Code of Conduct found in our handbook which is located at https://dukefarms.org/cg. Hard copies available by request.

• Gardeners must complete 4 hours of volunteer time at Duke Farms for your first garden plot, plus 1 hour for each additional plot.

• Gardeners must attend one environmental related class of their choice each year. This may be through Duke Farms or another suitable vendor.

**Gardening information:**

• Garden plots are offered in AS IS condition. Duke Farms is not responsible for soil and overall garden plot conditions, including drainage and other related issues.

• Community Garden plots should be centered around food production.

• Gardeners must make provisions for plot maintenance during absences and vacations.

• Gardeners are required to use organic, sustainable growing methods. Training is provided.

• There is a 5-foot height restriction on plants and structures.

• Gardeners are responsible for keeping their plot(s) weeded, harvested and well-maintained within plot boundaries & height limitations. Weekly maintenance surveys take place from April 15-Oct 31 each year. Gardeners may receive up to 4 warnings each year. After 5 warnings, the plot is reclaimed by Duke Farms.
